

SPECIAL REIKI EVENT

USUI REIKI RYOHO SHINPIDEN MASTER/TEACHER COURSE SATURDAY 29th NOVEMBER 2008 - MONDAY 1st DECEMBER 2008

This special 3 day course, held only once a year is for Reiki Master/Teachers with a Western Lineage who wish to develop further and study the original teachings of Usui. It's lineage is very short therefore nothing has been added to or taken away from these original teachings, unlike a Western Lineage where each Reiki Master/Teacher has added to or rewritten manuals and teachings. Training includes instruction, review and practice in all 3 levels including the original Japanese techniques, manuals and certification.

USUI REIKI RYOHO

Latest Japanese documents show that Usui originally referred to his system as Reiki Ryoho, meaning 'Spiritual Energy Healing Method'. Usui's students called it Usui Reiki Ryoho to honour their teacher's name and indicate that it was his method.

Although Mrs Takata's 'Usui Shiki Ryoho' was loosely based on Usui's ideas, it is actually more the later creation of Chujiro Hayashi, that was further developed by Mrs Takata for 'Western consumption'.

Usui Reiki Ryoho involves original Japanese Reiki techniques and teachings, which were not taught by Mrs Takata or passed on in the West in any coherent form until now.

SPECIAL REIKI EVENT - 3 DAY SHINPIDEN COURSE

'Shinpiden' means 'Mystery Teachings'. This was the original 'Master' Level in Usui's Reiki Ryoho. Reiki Master/Teachers in Usui Shiki Ryoho or other Reiki systems may attend this special 3 day course.

You may want to receive the Shinpiden teachings only to further your own interest and spiritual development. However, once you have completed this 3 day course you will be certified as a Master/Teacher in Traditional Japanese Usui Reiki Ryoho with a short Eastern lineage. This means that you will be able to include these original Japanese Reiki teachings and lineage in your own classes.

YOU WILL LEARN:

- How to teach and work with the original 4th Shirushi (symbol) and Jumon (mantra); plus its proper meaning, usage and spiritual description (also a review of the 3 Shirushi and Jumon)
- You will work with the 4th Shirushi and Jumon in ways that will help you realise, that you always have been and always shall be, a being of light and energy. The practical teaching involves some chanting work
- You will deepen your understanding and knowledge of the Reiki system, especially at the spiritual level. Some describe their realisation as being like “turning on a light switch”
- You will be guided in how to integrate Reiki into your everyday life as a spiritual practice, and the concept of Oneness
- You also learn and practice the Japanese Reiju Initiation processes that are an important feature of the original Japanese system. Reiju does not involve the Reiki symbols like in Westernised Reiki attunements
- There will also be a review of levels one and two from the Japanese perspective, which are covered in more detail in the manuals you will receive

YOU WILL RECEIVE

Each person attending this event will receive:

- A 173 page manual (including the Shoden and Okuden manuals) which may be used for their own teaching purposes. These manuals also include copies of traditional manuals in Japanese with translation, and much more
- The original Japanese Reiju Empowerment and short Japanese Reiki lineage
- A Shinpiden Master Teacher certificate in Usui Reiki Ryoho that enables you to teach the techniques

Even if you have been attuned to Reiki before, this special 3 day course will give you a fresh perspective and a real boost to your spiritual and personal development. You will receive information and techniques that until now have not been obtainable outside of Japan.

There are great transport links making it accessible to many parts of the country. We are at the heart of the North West motorway network, with junctions on the M60 Manchester orbital motorway and the M67 to Sheffield. Hyde is only 25 minutes from Manchester Airport and is served by the Trans-Pennine Liverpool/Manchester/Leeds/Newcastle railway line. There are frequent commuter services to Manchester Piccadilly and Victoria stations which provide connections to the rest of the UK. Inter-city services are fast, London being less than three hours away.

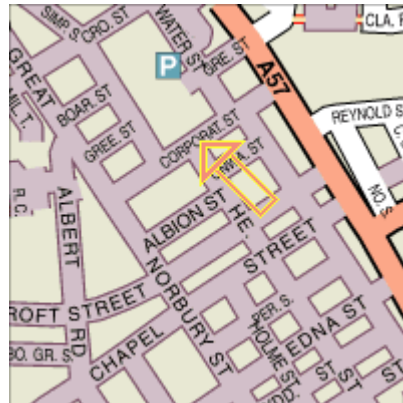

Greater Manchester has an extensive bus network operated by various commercial operators and Hyde has a new, modern bus station located within walking distance of the centre.

LINEAGE

The Usui Reiki Ryoho course for Reiki Master/Teachers has come to us through teachings that have been shared by Hiroshi Doi, who is a current Member of the Usui Reiki Ryoho Gakkai in Japan. The Usui Reiki Ryoho Gakkai is a very exclusive society and discourages contact with Western Practitioners. Gakkai Masters take a strict vow of secrecy regarding their teachings.

However, Hiroshi Doi has decided he will never take a vow of secrecy. Mr Doi has detailed knowledge of the way that Reiki is taught by the Gakkai and has been trained by Mrs Koyama, the 6th president of the Gakkai. Mr Doi runs his own Reiki School in Japan that is rooted in the practices of the Gakkai and he is the first Japanese person trained in Gakkai techniques to come to the West to share his knowledge.

Usui Reiki Ryoho techniques were, and still are, used by the Usui Reiki Ryoho Gakkai. The Usui Reiki Ryoho Lineage is much shorter than Western Reiki lineages, because it is a more direct transmission with fewer teachers involved.

The Lineage begins:

*Mikao Usui (The Founder of Usui Reiki Ryoho)

* Kanichi Taketomi (3rd President of the Usui Reiki Ryoho Gakkai)

* Kimiko Koyama (6th President of the Usui Reiki Ryoho Gakkai)

*Hiroshi Doi (Current Member of the Usui Reiki Ryoho Gakkai and teacher of Usui Reiki Ryoho)

Mr Doi presented a seminar in Vancouver, Canada in the autumn of 1999. He was able to teach many Reiki techniques that were never taught or passed on in the West in any sort of coherent form. Only a few people from the UK attended his seminar. Among the other delegates was **Frans Stiene**, author of *“The Reiki Sourcebook”* and *“The Japanese Art of Reiki”*.

Frans received Hiroshi Doi’s teaching and Reiju empowerments, and is the next link in this Usui Reiki Ryoho Lineage. The presenters for this 3 day Usui Reiki Ryoho Shinpiden Master/Teacher course are Joanne Tinsley and Cindy Vernon, co-principals of Chrysalis Therapy Training. They received Hiroshi Doi’s original Japanese Reiki empowerments and teachings via Stephen Lovering, who received Hiroshi Doi’s original Japanese Reiki empowerments and teachings via Frans Stiene.

- Understand energy work clearly
- Release emotional and physical energy blockages
- Feel more empowered and energised
- Acquire a good and accurate knowledge of the Reiki system

- Learn original Japanese Reiju Empowerment technique
- Discover how and why, much of Usui Reiki Ryoho was never included in Mrs Takata's Usui Shiki Ryoho
- Help yourself through the self healing techniques
- Help others
- Receive the authentic Japanese Reiju Shinpiden Initiation in Usui Reiki Ryoho
- Receive the short Japanese Usui Reiki Ryoho Lineage

WHAT IS IN THE MANUALS

Usui Reiki Ryoho "Shoden" (First Level) Manual includes:

- An accurate history of Mikao Usui's teachings and the essence of the Reiki system. (Here you may encounter some differences from what is usually taught in standard westernised Reiki).
- How to feel spiritually connected to the universe for yourself, family and friends.
- Full Reiki treatment procedure.
- How to connect to your "Hara" (Japanese = original energy).
- How to use Reiki to connect with and empower plants, food, animals, etc.
- Kenyoku Ho (dry bathing)
- Seishin Toitsu (creating a unified mind).
- Joshin Kokyo Ho (focusing the mind on one thing with breath).
- Schuchu Reiki (group Reiki)

Usui Reiki Ryoho “Okuden” (Second Level) Manual includes:

- How to connect with the energies of Earth and Heaven.
- 3 Jumon (mantras) and 3 Shirushi (symbols), plus their meanings, usage and spiritual description.
- Techniques of chanting the Jumon and visualising the Shirushi in a way that helps you deepen your spiritual connections to the Reiki energy.
- Hasurei ho (a method for strengthening and increasing your ability to hold the Reiki energy; and therefore bring greater energy into your Reiki treatments)
- Byosen Reikan ho (a method for sensing energy/health imbalances with your hands when you do Reiki treatments)
- Reiji ho (a method of allowing Reiki to guide you when you do Reiki treatments)
- How to connect with other people to send them healing energy, regardless of the other person’s location or the physical distance between you. Westernised forms of Reiki teach that the symbols are used to in some way project or transmit the energy. In Traditional Japanese Reiki like Usui Reiki Ryoho this is achieved through the concept of “Oneness”. The teaching is that we are already interconnected beings of energy (all living beings are part of One spiritual energy or Source) and so we are already able to connect with anyone to send them healing over any distance. The symbols are actually a teaching tool

Usui Reiki Ryoho “Shinpiden” Master Teacher (Third Level) Manual includes:

- How to teach the fourth original Shirushi (symbol) and Jumon (mantra) plus its meaning, usage and spiritual description

- How to work with the 4th Shirushi (symbol) and Jumon (mantra) in a way that will help you realise that you always have been and always shall be, a being of light and energy
- How to deepen your understanding and knowledge of the Reiki system, especially at the spiritual level
- How to integrate Reiki into your everyday life as a spiritual practice, and the concept of Oneness
- How to perform the attunement and Reiju empowerment (blessing with energy) processes that are used to empower others to be able to use Reiki
- Extracts from Original Japanese Reiki manuals, translated into English

**ALL TOGETHER, AN AMAZING “NOT TO BE MISSED”
OPPORTUNITY!**
